

**TRANS-TEL OSP UNDERGROUND PAST PERFORMANCE**

**AST GAMING COMMISSION FOC  
ABSENTEE SHAWNEE TRIBE (AST) OF OKLAHOMA**

Location	Dates	Trans-Tel Role
AST Casino, Norman, Oklahoma	Nov 2019 – Mar 2020	Prime Contractor

**Description of Work Performed:** Trans-Tel was awarded a \$30,000+ contract to EFI&T effort to extend network services to the AST Gaming Commission HQ building on campus with new underground fiber optic cable and associated infrastructure. Work included boring approx. 1,000 feet of conduit, installing two new hand holes with marker poles, approx. 1,700 feet of 24-strand single-mode fiber optic cable.

This work effort concluded ahead of any contractual period of performance date with no damaged utilities or disruptions in service. Trans-Tel tested and certified the installed cable, and delivered the successful results package, as well as a CDRL “as built” drawing package to the customer upon completion.
