

TRANS-TEL PHYSICAL SECURITY PAST PERFORMANCE		
INTERNATIONAL ROAD DYNAMICS OKLAHOMA STATEWIDE DEPARTMENT OF TRANSPORTATION		 International Road Dynamics Inc.
Location	Dates	Trans-Tel Role
Love, Kay, Beckham & Sequoya Counties in OK	Dec 2019 – Ongoing (Jan 2020)	Prime Contractor
<p>Description of Work Performed: In Dec 2019, Trans-Tel was awarded a \$260,000+ contract (#2608) to provide and install an upgraded Video Surveillance system at the four DOT Entry points along the state's Interstate Highway corridors.</p> <p>Work included the installation and programming of new cameras, the integration of existing systems and setup of DOT oversight capabilities. Work effort required coordinating efforts with all other operational entities (State of OK, DOT, Law Enforcement, etc.) at the four Ports-of-Entry.</p>
